

GRAN HOTEL
BAHIA DEL DUQUE RESORT

This adaptation of a tropical oasis rises majestically on the azure shores of the beautiful Duque Beach. Bahía del Duque is a charming hotel inspired by the traditional Canarian architecture of the end of the 19th Century.

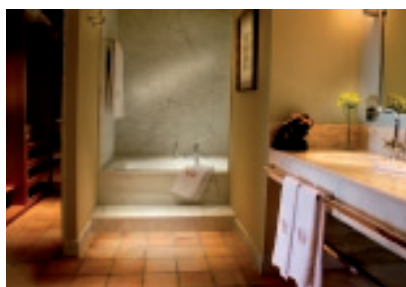

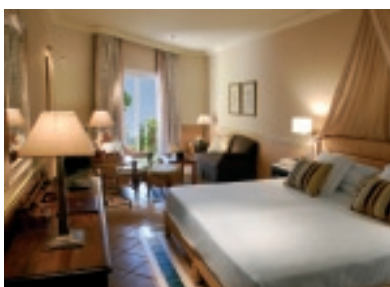

Nineteen traditional buildings are harmoniously distributed throughout a 100,000 m² setting, featuring fresh patios and picturesque corners that are conducive to relaxation. Its 63,000 m² of landscaped tropical gardens with close to 300 different species, the traditional style of unfaltering and exquisite personal treatment, an extensive range of activities and a wide range of cuisine make this resort an authentic paradise and a delight to all senses.

Just 15 Km from the “Reina Sofía” airport in South Tenerife.
